Dear editor, Dear author, I found this manuscript very valuable and ready to by published. I just wish to suggest that in the introduction the author must highlight the importance of his study for human and environmental health and the following citations can help on this to show how his research is part of an international awareness for human activities and ecosystems suitanability. See some citations will make the paper stronger Roy, M., & McDonald, L. M. (2015). METAL UPTAKE IN PLANTS AND HEALTH RISK ASSESSMENTS IN METALâ„„CONTAMINATED

Sincerely Artemi Cerdà
