Dear Editor; According to Referee’s correction; 1- The abbreviations of Table 2 were given as OM: Organic Matter. The explanations under Table 2 Ariel 8 letter changed to Times New Roman 8. In Table 3, the commas turned to dot. In Table 5, land position column is deleted due to the replication. In Table 5 the commas turned to dots.

2- Some literatures were added in references section.

All the corrections are shown with red.

Please also note the supplement to this comment:
